“Expect great things from God,
Attempt great things for God.”

- William Carey

STARTING YOUR SEMINARY JOURNEY

Today’s Christian ministry has seen a decline in qualified and capable leaders. Has God stopped calling women and men into ministry? We don’t think so. The biggest hurdle that Christian leaders face today is the current models of seminary education. In many parts of the world, the funding model of North American seminaries effectively serves to exclude many potential leaders from Christian service.

Carey offers accredited programs that include Diploma to Doctoral Level, and an accelerated BA/MA program. We are confident that Carey can help you prepare for whatever and wherever God is calling you!

MISSION

CHURCH

DISCIPLING LEADERS GLOBALLY FOR OVER 60 YEARS

Carey was established in 1959 by the Province of British Columbia and was named after the English Christian missionary - William Carey. For over 60 years, Carey has been discipling Christian leaders through our UBC Undergraduate Residence Program and our Theological College. Known as Carey Hall - a residence for undergraduate men on the UBC Campus - Carey saw a need for theological education. The Diploma in Pastoral Studies was offered as a first step into theological education, followed by the Baptist graduate college in 1980. Campuses in Canada as well, internationally including in Africa, South America and Asia were later planted. In 1991 the residence and college were separately distinguished as Carey Theological College and Carey Hall at Carey Centre respectively

In 2019, Carey decided to bring together all the passion of our staff and faculty to be known as one entity discipling graduate students and undergraduate residents: Carey Theological College. As an accredited academic institution grounded in Christ-centred, biblically-faithful, and missions-focused Christian leadership, Carey continues to be committed to offering world-class theological degrees and Christian discipleship training to the whole family of God.

STATEMENT OF FAITH

We accept wholeheartedly the revelation of God given in the scriptures of the Old and New Testaments and confess that the faith therein set forth. We here explicitly assert the doctrines which we regard as crucial to the understanding and proclamation of the Gospel and to practical Christian living:

1. The sovereignty, love, and grace of God, the Father, the Son and Holy Spirit in creation, providence, revelation, redemption and final judgment.
2. The divine inspiration of Holy Scripture and its entire trustworthiness and supreme authority in all matters of faith and conduct.
3. The value of each human being as created by God. The universal sinfulness of humankind since the fall, which alienates all from God and subjects all to condemnation.
4. The full deity and humanity of the Lord Jesus Christ, the incarnate Son of God, whose substitutionary sacrifice is the sole ground of redemption from the guilt, penalty and power of sin.
5. The justification of the sinner by the grace of God through faith alone in Christ crucified and risen from the dead.
6. The illuminating, regenerating, indwelling and sanctifying work of God, the Holy Spirit, in the believer.
7. The church as set forth in the New Testament and understood historically by the Baptist community.
8. The expectation of the personal, visible return of the Lord Jesus Christ, our participation in the resurrection, and the hope of eternal life.

COURSES AT CAREY

At Carey, our courses are designed to give each student flexibility in their learning. Our programs are offered online so that our students can continue to work, engage with their local ministry and be present for their family lives.

We use programs such as Populi, Canvas and Zoom to complement our students’ learning experience.

CAREY’S REAL-LIFE MINISTRY LEARNING MODEL

Situated in Life (sitz im leben) Learning

Carey’s online learning model allows students to stay embedded in their own ministry. We encourage our students to see and use their ministry as another class setting and learning opportunity.

Robust Theological Dialogue

Rather than providing simple and neat answers in a lecture environment, we believe that resolving these case studies with input from their peers will help students prepare for the complexities of working in ministry.

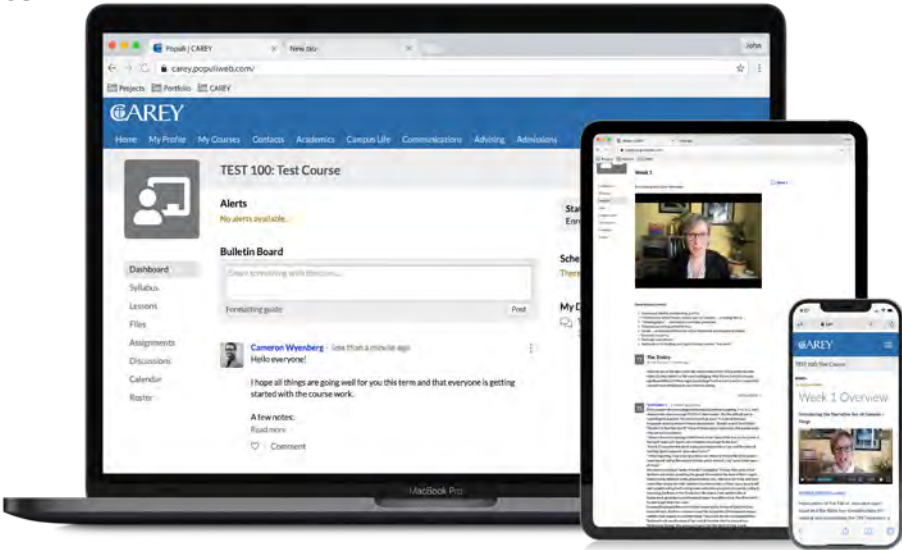

Community

Carey’s emphasis on peer-to-peer engagement and collaboration means you will build a global support community that will extend beyond your degree, gaining you insights from ministry leaders that span the globe.

LEARNING EXPERIENCE

Carey’s affiliation with the University of British Columbia allows us to pursue innovations in Learning Technologies, and to ensure students have streamlined access to various platforms to improve their learning experience.

ZOOM

Zoom is a video/audio web-conferencing and collaboration tool that allows for real-time meetings and discussions with your fellow students and faculty alike. Rather than being a platform solely for lectures, we use Zoom to facilitate peer-to-peer learning experiences and community growth.

POPULI

Populi is one of the central platforms you will use for registration, payment, community engagement, and even courses. Populi can easily handle videos, group discussions, file sharing, and integrations with many Populi LTIs (Learning Tools Operability) available today.

EBSCO

To help you gain access to resources for courses and research, Carey has an ever growing digital library through our EBSCO collection. We believe students should not miss out on their learning because they cannot afford books, or have difficulty finding a copy; we’re dedicated to making all necessary resources for classes as close to 100% free for any students in our programs.

CAREY’S LEGACY

In 2019, Phil Collins, the last of Carey’s four former Principals and President, passed away. Each was instrumental in establishing Carey as a place where young people at UBC are supported and where pastors are trained, a legacy which continues to this day.

ERNEST RUNIONS (Principal 1975-1980)

Rev. Dr. Ernest Runions was a pastor and held pastoral positions at Bonnie Doon Baptist Church in Edmonton, West Point Grey Baptist Church in Vancouver, and First Baptist Church Vancouver. He was also a practicing psychiatrist and a passionate teacher in areas of counselling, family ministry, and worship.

ROY BELL (Principal 1981-1984)

Rev. Dr. Roy Bell was the Charles Bentall Professor of Pastoral Studies and later, after his service as Principal, the Erb/Gullison Chair in Family Ministries. He was known as a gifted preacher and pastored at Strathcona Baptist Church in Edmonton, First Baptist Church Calgary and First Baptist Vancouver.

PHIL COLLINS (Principal 1986-1994)

Rev. Dr. Philip Collins helped to solidify Carey’s mission as both a Christian residence and a theological institution. He was also the Director of Field Education and helped to establish the Certificate in Ministry for international work in Kenya. He was the first Director of the Graduate Internship Program equipping pastors for the denomination’s Ordination Examining Council.

BRIAN STELCK (President 1994-2013)

Rev. Dr. Brian Stelck was a missionary in Africa with Canadian Baptist Ministries with a heart for the whole people of God, working hard to solidify Carey’s reach to the global church. It was under his leadership as President that Carey was accredited by the Association of Theological Schools in the United States and Canada.

We, at Carey, are grateful for the lives and leadership of these four men. Each of them expected great things from God and attempted great things for God.
